

## NEWS AND VIEWS . . .

### And What Have You

By BOB CRAIG

Last week we started a run-down on the nine proposed amendments to the Texas Constitution, covering the first two. This week we are continuing this analysis.

The third amendment authorizes the Legislature to set its own salary and the salaries of the Speaker of the House and the Lieutenant Governor. The change would permit the speaker and the Lt. Governor's salary to be set at not more than half the governor's salary and the legislator's salary would be set at not more than the salary of a district judge.

Those who argue for this amendment say that the legislator can no longer be considered a part-time official with increasing complexity of the problems facing the state government. Time spent on standing and special interim committees meeting between sessions leave little time to devote to private business.

The \$4,800 annual salary now provided under the constitution is scarcely adequate to meet present-day costs of living. Those favoring the change say that the small \$12 per diem allowance which is limited to 120 days is inadequate. They also maintain that having to have an election every time the legislators get a raise is too expensive.

Those opposing the amendment claim that allowing the legislature to legislate salaries to not more than the state salary of a district judge and the others the half the governor's salary does not limit the salaries too well since the legislature can raise these salaries.

They also maintain that this would just increase the cost of state government at a time when state finances are already overburdened.

The fourth amendment would exempt water supply corporations from ad valorem taxation. Those favoring this amendment say that the water supply corporations are nonprofit and perform a governmental function. They also perform a vital function where there would not be an adequate water supply.

Those opposing the amendment say that there are many privately owned water supply corporations which are run for profit that would be put at a competitive disadvantage if the nonprofit corporations went tax free. They also maintain that with rising costs of government this is not the time to reduce the tax base for counties and schools.

The fifth amendment would increase the ceiling on assistance to four classes of needy to maximum of \$80 million from state funds.

Those favoring this amendment say that if it fails again that the state will have to make drastic cuts in the present levels of assistance to the needy disabled and the needy aged or lose the federal monies now being received. At the present time the state has cut the funds for needy children by 50 percent but a federal court has ruled that if a cut is made it must be across the board or else the state will lose the federal monies.

Those opposed to the amendment cite the cost of the welfare program to the state as reason for their opposition.

Number six on the ballot would remove the interest-rate limitations on certain bonds subject to limitations imposed by the legislature.

Those favoring this amendment say that with the high rate of interest at the present time many bond issues can not be sold at the rate permitted by the present ceiling. They cite many state programs that will be without funds if the ceiling is not raised.

Here again the main argument against this amendment seems to be the increased cost to the state. Those opposing the amendment also claim that without a ceiling the various agencies will rely more on bonded indebtedness as a means of financing future needs.

ACCEPTS PRESIDENT'S GAVEL — Luther Haught, right, new president of the Hamlin Rotary Club, accepts the gavel from retiring president, Max Brown. Officers were installed for the new year at last Wednesday's luncheon.

### Farm Welding Course Planned Here July 21-25

A 15-hour course in practical farm welding particularly designed for farmers and ranchers will be held here July 21-25 in the Hamlin High School Vocational Agriculture Building, according to T. C. Blankinship, vocational agriculture teacher.

Instructor will be Joel Barton, welding specialist of Texas Education Agency from Texas A & M University. The first meeting of the group will be at 6:30 p.m. Monday. Those desiring to take the course should contact Supt. C. F. Cook, Blankinship or Milburn Wink.

A fee of \$5 per member will be charged. Only a limited number of adult farmers and ranchers can be enrolled and trained in this short course. A maximum of 16 can be accommodated due to limited amount of equipment. Blankinship added.

### Yankees Win LL Championship Here Monday, 4-3

The Yankees edged out the Cardinals Monday night to capture the city title in Little League action, 4-3. The game was tied, 3-3, at the end of the regulation six innings and the Yankees scored the winning run in the top of the eighth.

Yankee coaches, Eddie O'field and Callens George, will manage and coach the Little League All-Stars when they play Merkel Friday night in the first round of the playoffs at Merkel.

### Luther Haught Installed As Rotary Prexy

Luther Haught was installed president of the Hamlin Rotary Club at the Wednesday noon luncheon last week.

John V. Howard, who installed the officers, used the motto of James F. Conway, international president, "Review and Renew" and "Do It Now," as the theme for his charge to the officers.

Other officers include Joe Ford, vice president; Kenneth Scott, secretary; Joe Simpson, James Eddie Jay and Bill Rountree, directors.

Howard closed his remarks with "The world is composed of takers and givers. The takers may eat better, but the givers sleep better. Let's all follow President Conway's challenge."

### Area Meeting of Pork Producers Set In Stamford

Pork producers of the area will meet in Stamford Tuesday, July 22, at 8:30 p.m. in the conference room of Stamford Electric Cooperative according to Dan R. Griffin, chairman of the steering committee.

Larry Osborne, hog buyer for Gooch Packing Company in Abilene, will be in charge of the program. He will cover all aspects of marketing pork.

All members and any interested persons are invited to attend.

### Local Farmers At House Agriculture Hearings Tuesday

Four area farmers returned Wednesday from a trip to Washington, D. C. where they appeared before the House Agriculture Committee in behalf of the present farm program.

Making the trip from here were Hollis Madden, Raymond Seifres, John Scarborough and Richard Young.

The men joined a group of Texas farmers in Dallas Sunday and flew to Washington. The men spent Monday talking to congressmen and appeared before the committee on Tuesday.

The farm program they were supporting began in 1965 and expires in 1970.

### New Pastor Takes Over Duties With Assembly of God

Rev. Robert Ledbetter, new pastor of the Assembly of God Church moved here from Albany Monday. He succeeds Rev. A. D. Stewart who has moved to Jayton.

Rev. Ledbetter, a native of Denver, Colo., attended Bible College in Costa Mesa, Calif. He had been pastor of the Albany Assembly of God Church for over a year. He was a member of the Ministerial Alliance there.

Mrs. Ledbetter, the former Nancy Mangram, is from Yukon, Okla. The couple has one daughter, Shelley, 14 months.

The Third Sunday Singing will be held July 20 at 2 p.m. in the Foursquare Gospel Church.

## Mineral Lease Suit Filed Against County, Individuals

Jones County and thirteen individuals were named defendants this week in a suit filed in 104th District Supreme Court asking cancellation of a mineral lease on some land which formerly was part of Highway 92.

### Water Use Hits New High Here

With daily temperatures running over the 100 degree mark here this summer the local water consumption hit a new high Monday, according to Bill Rountree, water superintendent. Monday's use was 1,285,500 gallons.

Water use since the first of July has averaged over a million gallons a day, Rountree said.

Rountree added that while the consumption was high it had not hit the capacity of the city's system as yet and could run 300,000 gallons more.

### Crusade for Living Counsel Sessions Planned Sunday

The fourth of five counselling sessions being held in preparation for the area-wide "Crusade for Living" will be held at 2 p.m. at the Assembly of God Church.

All persons interested in counselling or learning to assist in counselling are urged to attend. H. Don Rogers of Abilene will be the instructors.

The "Crusade for Living" set Aug. 3-10 in Piper Stadium will be directed by the Ed Robb Evangelistic Association. Services will be held at 8 p.m. each evening. Rev. Marshall Stewart is general chairman, Rev. Cecil Hardaway, assistant chairman.

### Local FFA Boys Attending State Meet In Ft. Worth

Ten members of the Hamlin Future Farmers of America and their advisor, Milburn Wink, left Tuesday to attend the July 16-18 State FFA Convention in Fort Worth.

The group includes Spencer Ford, voting delegate; Bill Hodnett, Davis Weaver, Gil Lain, Edward Johnson, Charlie Sellers, Steve Teichelman, Carlos Gonzalez, Rodney Rackley, Guy Clifton.

Bill, Spencer and Davis are to receive the Lone Star Farmer Degree, the highest degree awarded by the state association.

Bob Clifton, also of Hamlin, is completing his term as state vice president.

Mr. and Mrs. Jim Spradley, Les, Kay and La Vonda were home over the weekend. They are spending the summer in Alpine where Mr. Spradley is attending classes at Sul Ross.

Plaintiffs are Sohio Petroleum Co. and Chamlin Petroleum Co. named as principal defendant is R. J. Schumacher.

The petition sets out that certain land was abandoned when Highway 92 was re-routed. The plaintiffs held a mineral lease on land adjoining this property.

On January 31, 1964, Jones County Commissioners passed a resolution appointing Leon Thurman as commissioner to convey certain abandoned right-of-way to the "abutting and adjoining landowners."

Some of this land, the petition sets out, was conveyed to Mary Neuman and C. P. Amerson. Plaintiffs claim these deeds were invalid and inoperative because at the time of the conveyance, both Mary Neuman and C. P. Amerson were deceased.

On Oct. 25, 1968, the petition continues, Thurman "purported"

### Mobile Substation Blamed for Power Failures Here

All of Hamlin was without electrical service for about an hour Monday afternoon and then briefly Tuesday afternoon about 4 p.m.

Ned Moore, West Texas Utilities manager, explained the disruption. He said the city had been being served through a mobile substation for about a week while larger transformers were being installed at the substation on Northeast Third Street. Workmen were expected to have the changeover to the large transformers sometime Wednesday, he said.

Normally, when breakers go out at the regular substation only a part of town is without service. Since all circuits were routed through the mobile substation, the whole city was affected when trouble developed.

### Second Story Hour Set Friday At Harden Library

The second Story Hour session sponsored by the Woman's Literary Club will be held at 9:30 a.m. Friday.

Three changes have been made since the starting of the story hour last week. The sessions will be held on Friday at 9:30 a.m. and children through the second grade will be included.

The day of the week was changed to avoid conflict with the Ladies Day swimming hour and the hour was changed to 9:30 to be more convenient for the children. It was decided last week to include the first and second graders because of small attendance of pre-schoolers and to encourage the young readers to use the library.

Mrs. Jackie Williams will direct the Friday session. Mrs. Charles Hilburn will serve refreshments.

ed to make a correction deed to John C. Bryant," one of the Amerson heirs. On this date, the plaintiffs claim they were still abutting and adjoining landowners and were not given an opportunity to purchase their proportionate interest as required by law.

Plaintiffs claim that any title which Neuman heirs and Amerson heirs may have received was subject to plaintiffs' valid oil and gas lease.

Later, the plaintiffs continue, the Neuman and Amerson heirs purported to execute an oil and gas lease covering this right of way to Schumacher.

Plaintiffs say that the Neuman and Amerson heirs are not the owners of the minerals underlying the former right of way but that this ownership rests with Jones County and plaintiffs are entitled to purchase an interest in the minerals.

Plaintiffs ask that purported conveyances to Mary Neuman, C. P. Amerson and Arlene Bryant be declared invalid and that they be cancelled.

As an alternative, plaintiffs ask that the purported conveyances to these three were for only an interest proportionate to that owned by them as abutting and adjoining landowners in the adjoining lands and did not include plaintiffs' interest in the minerals.

The plaintiffs ask further that the purported lease to Schumacher be declared invalid because the purported lessors have no title to the minerals beneath said tract subject to lease and that such lease be cancelled.

Attorneys for the plaintiff are McGinnis, Lochridge, Kilgore, Byfield, Hunter and Wilson of Austin.

The full list of defendants includes: Schumacher, Jones County, the Bryants, Jerry A. Neuman, Jim Neuman Jr., Lilly and Royce Rasco, Rose and Dale Jones, Mary and Jerry Tomanek, Eva Amerson, Rudolph Matecha and F. J. Matecha.

### Cub Scouts Set Swimming Party

All Cub Scouts are invited to attend the swimming party and picnic Monday evening at 7 p.m. at West Lake, says Cubmaster Gean Witt.

All Cubs and their families are to bring a picnic supper. Drinks will be furnished.

Visiting over the weekend in the homes of Mr. and Mrs. O. D. McKennon and Mrs. O. A. Tindal were Mrs. Doyle McKennon Jr. and her daughter, Karen, and daughter-in-law, Bobbie, and grandson, Douglas, all of Shallowater. Douglas is the great-grandson of the McKennons and Mrs. Tindal. Other visitors in the McKennon home were her sister, Mrs. L. E. Page and a niece, Mrs. Marvin McClure and family of Illinois.

## After 41 Years of Operating, Harden Hotel Closes Friday

The Harden Hotel on South Central was closed Friday after 41 years of operation. When the telephone was disconnected Monday morning, it marked the first time there was no Harden listing since the telephone system was installed in Hamlin.

The hotel was built in two stages by the late Mr. and Mrs. Thad E. Harden, pioneer settlers of Hamlin.

The first 15 rooms and the service station on Central Avenue were built by the late Mr. Harden in 1928 and was leased to other management.

In 1931 Mrs. Harden moved into the hotel and assumed management when the youngest child, Thad E. Harden Jr., went away to college. He was a graduating student in architecture at Texas A & M University when, in 1938, the addition to the hotel was built. He designed the addition which included 12 more upstairs rooms, the downstairs lobby, a coffee shop and Mrs. Harden's personal apartment which she occupied while

managing the hotel until her death two years ago.

Thad Harden Jr., secretary and office manager of the firm, Preston M. Geren Architect and Engineer and Associates, of Ft. Worth, has since been in charge of the property, locally managed by Mr. and Mrs. Tommy Robertson.

The hotel building is of solid brick, but the interior was in bad repair, the chief cause for closing the business, young Harden said.

The interior has been stripped but the structure will remain intact. The furnishings and equipment have been sold.

All linens, bedding, some furniture and fixtures were donated to Coastal Bend Youth City, a home for underprivileged boys and girls, near Corpus Christi.

A daughter, Mrs. Robert McCracken of Corpus Christi serves as a member of the board of Youth City.

J. B. Moore, director of Youth City, and Mrs. Moore

came Saturday for the items given to the home.

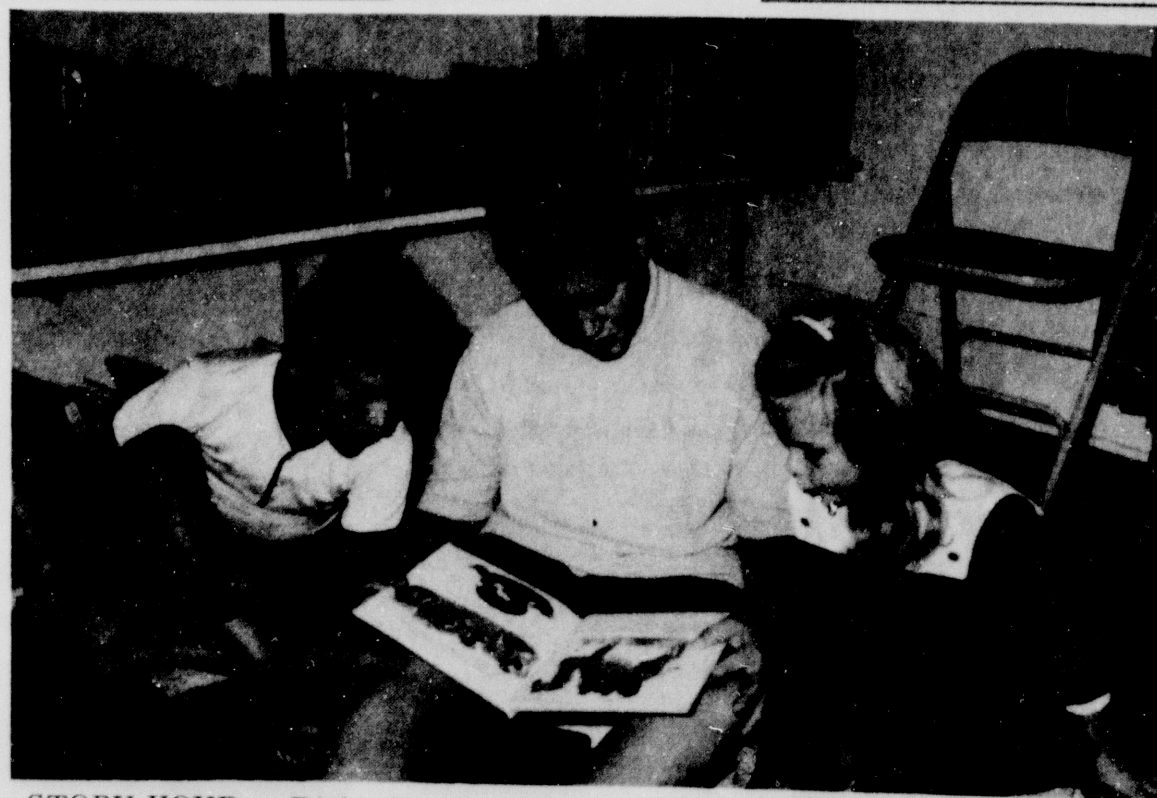

There were six children, Thad Jr. being the only one born here. One daughter died young but all the others were graduated from Hamlin High School.

Both Mr. and Mrs. Harden served Hamlin in numerous civic capacities, including City Council, school board, Parent-Teachers Association, the Methodist Church, Civic clubs and other activities.

Mrs. Harden donated the family home at 324 Southwest Ave. A to the women's clubs of Hamlin in 1956 as a site for a library.

The Hardens came here when Hamlin was just being organized as a city. They came by train from Sweetwater. Not only did the family have one of the first telephones installed in the city, they also had the first radio in this area.

Thad Jr. remembers a complicated network of antenna built at the home in order to receive the signal of WFAA in Ft. Worth.

STORY HOUR — Ricky Craig, center, reads to Ronnie and Roxa Reusch during the first Story Hour sponsored by the Woman's Literary Club. The second session will be held Friday at 9:30 p.m. at Harden Memorial Library directed by Mrs. Jackie Williams.

Mr. and Mrs. Henderson Clark will be honored Sunday at a reception in the home of their daughter, Mrs. George Campbell and Mr. Campbell, 420 Northwest Ave. H. The celebration marks the 50th anniversary of their marriage. All friends and relatives are invited to call from 2 to 6 p.m.

The couple met in early 1917 and were married July 20, 1919, in the home of her parents, the late Mr. Ruben E. Ewing and Mrs. Ewing, at Plasterco, which is now the Celotex Corporation. Rev. E. C. Jamerson conducted the ceremony.

Mrs. Ewing, who makes her home with the Clarks, will have the rare experience of attending her daughter's anniversary celebration.

Mrs. Clark was formerly Myrtle Ewing. She was born Aug. 11, 1902, in Snyder and moved with her family to Plasterco in Fisher County about 1912.

Mr. Clark, son of the late Mr. and Mrs. George W. Clark, was born April 17, 1899, near Roby in Fisher county. He retired May 1, 1964, after 30 years with Celotex.

The Clarks are members of North Central Baptist Church.

Mrs. Campbell, the Clarks' only child, will be assisted by her daughters, Mrs. Bobby (Ruby) Scifres and Mrs. Minna Roberts of Amarillo.

Other members of the household will be Mrs. J. L. McWright, Mrs. Voshil Ewing, Mrs. George Ewing, Mrs. Cliff.

### Phebean Class Meets In Waymire Home Friday

Phebean Sunday School Class of First Baptist Church met Friday in the home of Mrs. Orville Waymire. Mrs. Cleo Perryman was co-hostess.

Mrs. Waymire, class president, presided.

Mrs. Oran Taylor, class teacher, gave the devotional on music.

Others present were Mmes. Ben Parker, Travis Hubbard and Claude Crowley.

### Women In Concern To Meet Aug. 11

Mrs. Floyd Hallmark will direct the next meeting of Women In Concern to be held Aug. 11 in Parish Hall of Holy Trinity Catholic Church. Mrs. Lionel Gonzalez will be hostess.

Plans for the August meeting were made at the Monday evening monthly meeting in the Fellowship Hall of First United Methodist Church. Hostesses were Mmes. V. V. Anderson and Cecil Hardaway. Mrs. Bob Craig was discussion leader. Each one present was asked to bring a favorite quotation to the next meeting.

Others present were Mmes. Louberta Maxwell, I. J. Starr, Joe Wayne Carter, Willis Paige, James Covington, Bill Cork and George Campbell.

ford Ewing, all of Lubbock, Mrs. Laura Joyce Clark of Fort Worth, Mrs. Joe Martin Davis of San Antonio and Gertrude Griffin.

The couple's great-grandchildren are La Etta and George Preston Scifres, Guyan, Gordon and Wendell Roberts.

### Mrs. Bob Murff Hosts Jaycee-ette Meeting Thursday

Mrs. Bob Murff was hostess for the Thursday evening meeting of Hamlin Jayceettes. Mrs. Joe Cortez was co-hostess.

Mrs. Ewell Mackey, president, presided. The membership discussed money making projects.

Others present were Mmes. Sam Mack Hodges, Charles Brumley, Harvey Lawlis, Jerry Smith and Young Bill Maddox.

The next meeting will be Aug. 7 in the home of Mrs. Eddie Connally. Mrs. Floyd Clifton, guest speaker, will give a book review.

### NEW BABIES

Mr. and Mrs. Phillips P. Carrillo of Rotan are parents of a boy, Bobby Joe, born July 10 at 6:48 a.m. He weighed 7 lbs. 3 oz.

Mr. and Mrs. Ignacio D. Montoya are parents of a girl, Amy G., born July 10 at 5:30 p.m. She weighed 7 lbs. 4 oz.

Mr. and Mrs. Milton W. Carter are parents of a girl, Sheila Roxann born July 12 at 4:26 a.m. She weighed 5 lbs. 11oz.

Mr. and Mrs. Brad L. Copeland of Abilene are parents of a girl, Kimi Lea, born July 12 at 2:38 p.m. She weighed 6 lbs. 7 oz.

Mr. and Mrs. Virgil W. York are parents of a girl, Julie Marie, born July 12 at 7:37 p.m. She weighed 4 lbs. 4 oz.

Mr. and Mrs. Jenaro M. Mendoza are parents of a boy, Johnny M., born July 15 at 11:41 a.m. He weighed 8 lbs. 4 oz.

### HOSPITAL PATIENTS

Mrs. J. E. Hix  
Mrs. Jenaro Mendoza  
Pearl Hudson  
Mrs. A. S. Barnes

Mrs. Donley Williams

Visitors in the home of Mrs. Florence Calvert were her son and family, Mr. and Mrs. H. V. Kelly of Milsap and their children, Sgt. and Mrs. Danny Kelly and Kimberly of Sherman, Mr. and Mrs. Bill Kelly and David of Abilene, and Mr. and Mrs. Charles McDowell, Ricky, Kerry, and Kelly of Floydada.

RECEIVING BENEFITS — Mrs. Kenneth Rogers and her son Dennis, 2, are receiving Social Security benefits following the death of her husband. The young widow and her son could receive over \$106,000 in SS benefits from the work record of her husband.

## Young Widow Learns of Real Value of Social Security Program

"I resent social security tax!" A few months ago that was the thought of Mrs. Kenneth D. Rogers, age 21, looking at her husband's record of 1968 wages and income and social security tax deduction. Her thinking was no different than that of many young people who are not aware of the complete social security program.

On April 19, 1969, her husband, Kenneth Darrell Rogers, was killed in an automobile accident. Mrs. Rogers suddenly and unexpectedly changed from the world of a wife with a hard working, high income husband to the world of a widow with a child and no known income.

It was not long after this that she began to realize the value of the social security tax deduction that she had resented such a short time before. Someone urged her to check up on possible social security benefits. The once resented tax is now a source of livelihood.

In fact, if her two-year-old son, Dennis, goes to school full time and remains unmarried to age 22, and if Mrs. Rogers remains entitled to receive benefits until Dennis

reaches age 18 and again becomes entitled to widow's benefits at age 62, the two of them stand to receive over \$106,000.00 in social security benefits from the work record of Kenneth Rogers.

Mrs. Rogers feels possibly the best part of receiving the social security is that it will give her the necessary time needed to go to college where she hopes to major in elementary education. If it were not for this income she would probably have to work full time to support herself and Dennis.

Mrs. Rogers is the former Phyllis K. Rackley, daughter of Mr. and Mrs. O. L. Rackley, Rt. 2, Roby. She is a graduate of Hamlin High School.

The information contained in a social security file is confidential. Mrs. Rogers gave her special permission for this story to be used to better acquaint the public with this phase of the social security program.

Mrs. W. C. Eoff has returned to Hamlin from Scott and White Hospital in Temple and is now a patient at Hamlin Memorial Hospital.

### 119 Attend Smart Reunion In June

The descendants of the late Mr. and Mrs. James Clay Smart met in reunion June 21-22 in the McCauley Gym with 119 attending.

The seven surviving children present were Lee Smart of Hamlin, J. G. Smart Sr. of Hunt, O. D. Smart of Fort Worth, Mrs. C. O. (Irene) Mitchell of Anson, Mrs. Tuck (Minerva) Mitchell of Lubbock, Mrs. Levi (Emma) Mitchell of Panhandle, Mrs. John (Daisy) Lott of Hunt.

Relatives travelling the greatest distance were from California.

A reunion had not been held in 18 years.

### Attend Reunion

Mrs. Travis Morgan, Mrs. Jesse Morgan and Mrs. Fleet Tarrance visited Mrs. Jesse Morgan's son, Mr. and Mrs. Billy E. Morgan Sr. and daughter, Lydia, Saturday evening in Dallas.

On Sunday the ladies attended a reunion of their Mother's family at Tyler. They visited with a host of Bedair second, third and fourth cousins.

HAD VISITORS? That's news, call the HERALD.

### County WMU To Meet July 24

The Jones County Association WMU will meet Thursday, July 24, at 10 a.m. in the First Baptist Church at Anson.

Mrs. Lonnie Doyle, missionary from Brazil, will be the guest speaker. A salad luncheon is planned.

Sgt. Andy Dewane Bundas has returned home after serving three years in Brentwater AFB in England and has received his discharge. He is presently visiting with his parents, Mr. and Mrs. Andy Bundas.

News deadline is noon Tuesday. Tuesday evening events by 10 p.m. Tuesday or 8:30 a.m. Wednesday.

## FROM THE FILES . . .

**FORTY-FIVE YEARS AGO**  
(July 18, 1924)

The Picnic is over. Hamlin's Recreational Park is now known far and wide. During the two days of this West Texas gathering, people from seven counties mixed their jolly voices and exchanged smiles. Yes, despite the fact that it was hot and considerably dusty there were thousands and thousands of people to come to Hamlin, Tuesday and Wednesday of this week. This was the first picnic since the purchase of the Park, three years ago.

Cotton picking will begin in South Texas about Aug. 1, and by following the opening bolls northward, cotton pickers will be afforded steady employment until late December.

Everybody ought to know that it is against a City Ordinance to tack any kind of stuff on poles in this city. Please remember this and don't let any good person get in trouble on this line.

Hamlin has a new Real Estate firm, known as Newsom & Anderson, with their office over the Hamlin Dry Goods Store. O. C. Newsom was formerly in the drug business and is quite well known and J. T. Anderson was formerly with the Gray Lumber Co., as bookkeeper.

There is much being said these days about the amount of free school money for 1924-25. The apportionment is \$14.00 per child of school age. It is beginning to appear that the State of Texas is finally to get on a solid basis to finance her schools.

"Phantom Horseman" is showing at the Opera House this week. It is a breath-taking outdoor mystery romance with handsome and dashing Jack Hoxie in his most actionful role.

**TWENTY-FIVE YEARS AGO**  
(July 15, 1949)

Walter P. Chalcraft, recently graduated from McMurry College with a major in band music has been employed to be band instructor in the Hamlin High School for the next term.

It has been approximately seven years since band music was taught in Hamlin schools, and the school has not attempted to have an organization since that time because of the difficulty in obtaining an instructor.

## Neinda Philosopher Says Truth In Lending All Right But Leave Truth In Borrowing Alone

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One views truth in lending from the other side of the counter this week.

Dear editor:

As I understand it from the newspapers for the past two or three weeks, everybody is now living under a new law called "Truth In Lending," which means stores, banks, lending companies and such like have to tell you how much actual interest you're paying if you borrow money or buy something on credit.

Although it's not the interest rate that bothers most people buying a car on credit, it's mostly how much per month the payments are and whether or not they or the car will wear out before they reach the last one, I'm sure this is a good law, but it's far enough.

What I mean is, I hope some smart-aleck in Washington doesn't come up now with a "Truth In Borrowing" bill.

When a man is borrowing money for an honest purpose, truth should be told generally but not squeezed to death.

Take the case of a farmer I knew years ago. Every year he'd go into the bank to mortgage his mules and implements to get money to make another crop on.

"Let's see, those mules are six years old, aren't they?" the banker asked him the first time he went in.

"Yes sir. Sure are," the farmer answered truthfully, and he got the loan.

Next year it was the same. "Those mules still six years old, aren't they?"

"Yes sir."

For ten years the same procedure took place, the mules stayed six, the farmer always

paid up, the banker was happy, the bank examiner was none the wiser, the farmer finally got on his feet and today owns his farm and a

KENNETH LEVERETT  
... receives master's degree

### Former Area Pastor Receives Master's Degree

Kenneth Ray Leverett, former pastor of Fairview and Sylvester Baptist churches and a Hamlin Junior High School teacher, will receive the master of religious education degree during the summer commencement services at Southwestern Baptist Theological Seminary July 18 in Ft. Worth.

A graduate of Hardin-Simmons University, he received a bachelor of science degree there in 1960.

He is presently pastor of Martins Mill Baptist Church. He and his wife, the former Kay Tanner, and four children live on Route 2, Ben Wheeler Texas.

The need for air conditioning units in the Hamlin Memorial Hospital is acute, with rising temperatures and continued hot, dry weather.

A total of 15 units have been pledged during the past two weeks.

A request that the Hamlin City Council take action on the petition recently presented calling for a bond election to build a swimming pool in Hamlin, was made by members of the City Planning Board.

Pfc. Elbert L. Grimes, son of Mr. and Mrs. Elbert Grimes of Hamlin is on duty with the American occupation forces in Kobe, Japan.

A. G. Irwin, president of the Hamlin Lions Club, left Tuesday for New York City, where he will attend the annual convention of Lions International.

Pat Marlow, co-owner of the Style Cleaners, was inaugurated as president of the Hamlin Rotary Club in the weekly luncheon meeting of the organization Wednesday.

Celotex men's softball team continued to ride high in the top position in the Hamlin softball play this week despite an upset defeat at the hands of the Hamlin High School Green Sox.

**TEN YEARS AGO**  
(July 16, 1959)

Despite some gloomy pictures being painted by many smaller cities that complain the bigger cities are swallowing them up, Hamlin continues to register consistent, steady gains in population.

Population of this Northwest Jones County metropolis this week was estimated at 4,833. This is 101 more than one year ago.

Seven students from Hamlin last week attended a twirling and drum majoring workshop on the campus of Texas Christian University.

They were Martha Jane Gage, Darlene Josey, Cynthia Patterson, Sandra Smith, Mary Smith, De-lores Killion and Rebecca Ferguson.

A short course on stocks and bonds was given by George N. Lehner of Schyndo, Barnett & Hayden of Abilene, at the Wednesday noon luncheon of the Hamlin Rotary Club.

Mr. and Mrs. Joe Hudspeth will soon be on the go again—at the expense of General Electric Company.

The dealer won an all-expense paid trip for two to Acapulco, Mexico.

modern tractor, both debt-free, but Truth in Borrowing would have ruined him.

Something similar happens even today. How many used-car ads have you seen saying this car has 24,000 actual miles? Everybody understands there's a difference between speedometer miles and actual miles, just as there's a difference between lying and campaign-promising, which is in the same category with telling a woman with knobby knees she looks good in a mini-skirt.

Miles on a car or years on a mule are no proper concern of Washington, so long as everybody pays up on time.

Yours faithfully,  
J. A.

### Report On Boy's State Program Given to Lions

Gary Smith and Bill Hodnett gave a report on their attendance at Boy's State in Austin in June as the program for the regular noon meeting of the Lions Club.

The two boys gave an outline of the week's activities and program at the annual summer state-wide meeting. Hodnett served in the legislature and Smith was a tax collector.

The boys were sponsored by the Lions and the Rotary clubs.

Program chairman was Joe Youngblood.

Visiting in the home of Mr. and Mrs. A. L. Gamble last week were her mother, Mrs. Zella Byrd of Hollis, Okla., and their son and family, Mr. and Mrs. Danny Gamble, Michael and Renee.

God Bless...

God bless Mommie, Daddie, and all my friends at church...

"Hearken unto the voice of my cry, my King, and my God."

God's word has a great deal to say about prayer, for prayer is our means to communicate with God. Through prayer we can give thanks, petition for our friends, and seek God's wisdom for our daily living.

Make prayer a daily practice in your life.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Coleman Adv. Serv.

# Food and Cars Account for Major Portion of Area Spending In 1968

NEW YORK — What are Jones County residents doing with their available cash these days? How much are they spending in local retail stores, and for what?

According to the latest figures, covering the past year, which have just become available through a new consumer market survey, most families in the area had more money at their command than in 1967 and they showed no hesitancy in spending it.

As a result, most retail establishments were able to report solid gains over the previous year.

The findings, with a breakdown of the amounts spent locally for cars, food, furniture, clothing and other articles, are from the Standard Rate and Data Service. Its nationwide survey gives comparable figures for all sections of the country.

It shows that, in Jones County, stores selling food and automotive equipment captured a major portion of the consumer market. Together, they attracted 49 percent of all retail business in the local area.

In other parts of the United States, only 41 percent went to them and, in the State of Texas, 42 percent.

The food bill alone, taking into account the amount spent in butcher shops, bakeries, delicatessens and the like, came to \$6,139,000.

This sum, which was equivalent to 17 percent of all retail business locally, was just

for food bought for use at home. The amount spent for outside eating and drinking is not included.

What the take-home purchases represented, on a per-family basis, was calculated by dividing the total expenditure by the number of families. The average was \$347 per family.

Business was in high gear, also, in the automotive field, where sales of new and used cars, motorcycles, boats and related products came to \$12,438,000, as compared with the previous year's \$12,035,000.

Good sales volumes were recorded, similarly, by other retail outlets.

Stores selling general merchandise had receipts totaling \$1,258,000.

Those specializing in clothing, hats, shoes and other apparel grossed \$1,632,000.

Sales of furniture and other home furnishings added up to \$1,452,000.

## Clay C. Bailey With Apollo II Support Unit

HOUSTON — Clay C. Bailey, son of Mr. and Mrs. Clarence C. Bailey of 318 N. W. Avenue A, Hamlin, is assigned to a group that is supporting the Apollo II lunar landing mission.

He is an aerospace technologist in the National Aeronautics and Space Administration's Manned Spacecraft Center in Houston.

The Houston Center provides control of all NASA manned space flights and will exercise fulltime control over the Apollo II flight from launch to recovery.

Bailey, a 1941 graduate of Hamlin High School, received his B. S. A. E. degree in 1960 from Northrop Institute of Technology, Inglewood, Calif.

His wife, Gwendolyn, is the daughter of Mrs. Frances Leyva of 4783 Dwight St., San Diego.

AUSTIN — Stiff resistance is forming to a proposed 11.4 per cent average private auto insurance rate hike.

Gov. Preston Smith promised a "full scale" investigation of soaring rates after State Insurance Board rate experts recommended the new increase.

Smith said the proposal "borders on catastrophe" and the car insurance situation "has become intolerable for many of our citizens."

Governor announced an early meeting with insurance company executives and said he is considering appointment of a select panel of citizens outside the industry to make a thorough study and recommendations.

Board rate authorities blamed the increase on the number and cost of auto accidents. Labor cost for repairs, in particular, was emphasized.

## State Bar Honors Rep. Calhoun

The State Bar of Texas has honored State Rep. Frank Calhoun of Abilene "for his interest, support and untiring efforts" on behalf of the legal organization.

Calhoun was presented an engraved metal plaque by the Bar's past president Ralph W. Brite of San Antonio "in grateful appreciation for his distinguished service to the people of Texas . . . and for his sponsorship of legislation proposed by the State Bar in the public interest and for the improvement of the administration of justice."

Calhoun represents Jones and Taylor counties. He is vice chairman of the House urban affairs committee and is a member of the committee on motor transportation, oil, gas and mining and parks and wildlife.

Recommendations and testimony at the public hearing will be reviewed by the board before August 1. New rates will take effect with policies written or renewed on or after September 1.

Liability rates, under staff recommendation, would go up 5.5 per cent. (Bodily injury coverage actually would be reduced 3.7 per cent, but property damage would increase 21.4 per cent).

Collision insurance would increase 17.5.

Comprehensive coverage for physical damage would climb 24.9 per cent. Commercial vehicles, with better safety records, would get lower rates. Figuring all classes of vehicles, the statewide average increase would be 9.2 per cent under staff recommendations.

Insurance company spokesmen urged even higher increases, but AFL-CIO spokesmen argued for reduction, rather than raise.

"An automobile is an absolute necessity in our current society, and, I, for one, do not intend to sit idly by and see it priced into a position of being a luxury," said Smith.

TREASURE HUNT CAUSES RUCKUS — A story which began in 1553 still is one of the state's headline items.

Lawsuits, sharp exchanges between state officials and threatened impeachment proceedings raged over what should be done with the treasure recovered from a Spanish galleon which sank in a storm off Padre Island more than 400 years ago.

Land Commissioner Jerry Sadler incurred the ire of a legislative committee earlier when he declined to cooperate with members probing his agreement with the Gary, Ind., firm of Platoro, Inc. Sadler's proposal was to salvage artifacts from the sunken ship and divide the loot 50-50 with the state.

Sadler announced that he had recovered all the articles taken from the galleon by Platoro and has them in his custody. He got a court order temporarily restraining Platoro from further salvage operations which firm, according to Secretary of State Martin Dies, engaged in the Padre treasure hunt without the proper state permit.

District judge at Corpus Christi postponed a hearing on disposition of the treasure until after the special legislative session. Meanwhile, he named a committee to determine if the Gary salvage firm still has some of the treasure and, if so, how to get it back. Serving on the committee are Col. Wilson E. Speir, director of the Department of Public Safety, Atty. Gen. Crawford C. Martin, and Ed Harte, Corpus Christi publisher.

State Rep. Jake Johnson of San Antonio threatened impeachment of Sadler over his contract with Platoro.

DEER HUNTING LONGER — Longest deer hunting season yet has been set by the Parks and Wildlife Commission.

Season will open on the morning of November 8 and continue until sunset on January 1, 1970.

Commission agreed to reduce the white wing dove season drastically. Shooting will be permitted only on one weekend in September, since experts reported the dove population down 20 per cent from last year.

COURTS SPEAK — A patient can still collect on a hospital insurance policy, even if most of his expenses are paid by Medicare, says the State Supreme Court in agreeing with the appellate court in an Abilene case.

A serum company is liable for damages in the death of 25 registered calves in Ochiltree County, says the Supreme Court in backing a trial court. Court found that antibiotic given the calves for a respiratory ailment was unfit for use.

A Waco seed company's failure to protest its tax assessment before the board of equalization did not deprive it of the right to challenge the valuation in court, the High Court said in a decision

upholding the Waco Court of Civil Appeals but reversing the trial court.

Supreme Court has agreed to hear an application by the El Paso Times on a libel case by a former UT-El Paso professor. Dr. Richard Trexler claims he was libeled by a letter published in the Times. Trial court found no actual malice or damages, but the appeals court said the jury got the wrong definition of actual malice and ordered a retrial, which the Times appealed.

Court upheld an appeals decision that Deaf Smith County landowner Vada White and others would have to start over in a land condemnation suit involving Natural Gas Pipeline Co. of America.

Dallas man, convicted of slaying a school girl, got a new trial by order of the Court of Criminal Appeals, because his lawyers were not given an advance list of prospective jurors.

Court of Criminal Appeals reversed conviction of a Galveston man for possessing narcotics paraphernalia because the trial court permitted

testimony on information given the police by a drug buyer.

### SHORT SNORTS

Texas Aeronautics Commission concluded hearings on the application of Rio Airways to link the Rio Grande Valley with Laredo, Corpus Christi, Houston, San Antonio and Austin in new small plane flights.

A "Nine for Texas Committee" is organizing to campaign for passage of all of the nine proposed constitutional amendments on the August 5 ballot.

Governor Smith proclaimed July 20-26 as Texas Farm and Ranch Safety Week and called on rural residents to use the new slow moving vehicle emblem on agricultural equipment moved over the state highways.

Sen. Murray Watson of Mart was "Governor for a Day" on Saturday, July 12.

House Appropriations Committee plans to recommend a biennial state budget similar to the one it first agreed to last April.

Federal grants of \$100,250 and \$23,950 will go to park

improvements in Wichita Falls and Brenham, respectively

Visitors in the home of Mrs. J. D. Dutton are her daughter and husband, Rev. A. C. Altum of Phoenix, Ariz. The Altums have returned here from San Antonio where they

were with their daughter and son-in-law, Capt. and Mrs. Gary Potts. Capt. Potts was wounded in Vietnam and is now hospitalized at Brooke Medical Center. Mrs. Potts and their six-months-old son, Gary Michael, also of Phoenix, are staying in San Antonio.

## As It Looks From Here . . .

Omar Burleson, M. C.  
17th District, Texas

WASHINGTON, D. C. — A critical period is approaching in the Ways and Means Committee considering "tax reforms."

The principal problem in tax reform is that everybody wants to reform the other guy. A comment the other day from a friend back home put it another way. "Your Ways and Means Committee seems to be considering ways to close the other fellow's tax loophole."

Under consideration in the committee are such issues as tighter control of tax-exempt foundations, unlimited charitable contributions, farm and ranch losses charged against non-farm income, tax-free bonds of State and Municipal Governments, depletion allowances on minerals and many other facets of our tax structure.

Space will not permit detail discussion but take only a few of these as an example.

**FOUNDATIONS:** There are thousands — some created for purpose of tax advantage. In the main, foundations are authorized to fit three categories of activity — religious, education and charitable. Some simply contribute to institutions serving these purposes.

**THREE BED ROOM,** brick, two full baths, utility room, double garage and store room, corner lot 100 x 140 feet, central refrigerated air, and heating, established landscaping with verdant lawn. No time to lose see H. O. CASSLE & SON today, won't you.

**FOR SALE:** Two bedroom home with extra large living room, complete new kitchen, large bath, utility room, all rooms paneled throughout, 4 1/4 acres of land, water well. Four miles from town on paved road. Contact T. Newland after five. 576-2573.

**FOR SALE:** Four room frame house in good condition to be moved. J. P. Westmoreland 576-3041.

## Bids, Legals

**NOTICE TO WATER AND SANITARY - SEWER CUSTOMERS**

Due to the increase in cost of operation, notice is hereby given to all water customers now paying a trash pick-up charge; Effective on the July 1, 1969 billing, your charge will be increased \$1.00 over the present charge.

All daily pick-up charges will also be increased \$1.00 for the present time. A survey will be made to determine if further increase is necessary.

Mayor and City Council  
CITY OF HAMLIN, TEXAS

## LEGAL NOTICE

At the regular meeting of the Hamlin City Council, June 16, 1969, the following amendment was approved. The Itinerant Vendors and Peddlers Ordinance shall hereafter be amended to read as follows:

Section 3. That any person desiring to go from house to house or from place to place in the City of Hamlin, Texas to sell or solicit orders for merchandise, services, insurance of any type, photographs, newspapers, magazines or subscription to newspapers or magazines, or any type of selling or soliciting which is classified as house to house selling or soliciting to any individual outside an established business house within said City of Hamlin, shall make written application to the City Secretary of said City, at least five (5) days prior to the date on which such person intends to sell or solicit in the City, for a license so to do. Said application shall show the name and address of the person, firm, or corporation, if any, that he or she represents and the kind of goods offered for sale or solicited, and whether such applicant upon any such sale or order, shall demand, accept or receive payment or deposit of money in advance of final delivery, and the period of time such applicant wishes to sell or solicit in said City. All other Sections of said ordinance shall remain in full force.

Amended this 16th day of June 1969.  
City Council of the City of Hamlin, Texas

Others operate institutions in these fields. Their tax exemption has different application but, generally, each legally serves the intent of its creation.

The wrath of public indignation has been wrought by the few and, incidentally, the largest, by activities outside and beyond the accepted categories. The Ford Foundation, Rockefeller Foundation and a few others, have engaged in political activities which hardly fall within their authorized purpose.

Some have financed voter registration in the deep South. Ford Foundation financed a school board election in Connecticut. It paid expenses of staff members of deceased Robert Kennedy an an around-the-world tour.

These revelations cause many to want to burn down the barn to get rid of the rat. Foundations have built many of our greatest institutions. To take away their tax-exempt status would do irreparable injury.

No doubt that losses on "Play" Farms and Ranches, charged against other income has in instances been abused. On the other hand, demonstrated conservation practices and the up-breeding of livestock have produced proof of what can be done by others who depend on such improvements for their principal livelihood.

Tax-free bonds, voted, issued and sold by local governments, provide a way for local improvements without looking to the Federal Government to finance all projects.

Abuses occur in charitable contributions. Some wealthy taxpayers have contributed real estate, securities, paintings, books, manuscripts and every imaginable kind of property, at an inflated value and deduct an amount to the extent they pay no tax. To totally exclude such contributions would seriously handicap churches, education institutions, hospitals, orphanages and the like.

Depletion allowances for the extractive industries has a long history. Most think only of oil and gas. The fact is that more than a hundred minerals receive depletion allowance for tax purpose. Oil and gas, have become the whipping boy of all. The decline in exploration for oil and gas resulting in a decline in reserves, obviously suggests a declining industry.

Our state of Texas receives about 40 percent of its tax revenues from the oil and gas industry. This fact is of little interest to Members of Congress from non-producing areas of the Country. There are comparatively few. Members from producing areas. The merits of present law relating to taxes on oil and gas, can only be convincing on the basis of what an adequate supply means in terms of price to the consumer.

For the first time in the economic history of natural gas, a shortage occurred in the fall and winter of 1968. A shortage must eventually result in higher prices. The same may apply to the end products of oil unless we are willing to place dependence on foreign oil for our national defense, as well as our economic security.

While attempting a remedy tax laws permitting unfair advantages to a comparatively few, extreme care should be exercised not to injure the many. Tax "reform" does not necessarily mean tax relief. The very opposite may be the case if certain recommendations of the Administration and the views of a great many Members of Congress are adopted.

Finally, it is just possible that there may be so many "reforms" that even the strongest advocates of change may not be able to vote for it.

## On Dean's List

Gary Connally, government major at Texas Tech, was named to the Dean's Honor List with a grade point average of 3.06 during the spring semester. He is the son of Mr. and Mrs. Charles Connally. A junior, he will transfer to Baylor University in September.

## Arrested Here

Dennis Ray Rose, 17, of Eagle Mountain, Calif., pled guilty to theft under \$5 before Judge John Barnett in conjunction with the theft of a \$198 billfold from Winn's Store last Wednesday.

Punishment was set at a

fine of \$50. Patrolman Bobby Scifres made the arrest.

## ATHLETE'S FOOT

**HOW TO TREAT IT—** Apply quick-drying T-4-L. Feel it take hold to check itch, burning in MINUTES. In 3 to 5 days, infected skin sloughs off. Watch HEALTHY skin replace it! If not delighted IN ONE HOUR, your 59c back at any drug counter.

Now at Howard Drug.

AT FIREMAN'S SOCIAL — Members of the Hamlin Volunteer Fire Department and their families gathered at Hamlin City Park Thursday evening for an ice cream supper and entertainment. Here, Roy Server, center, looks on as, left to right, David Riddel, Ray Edmiston, Ed Branscum and Bill Schmidt play dominoes. Other games included volleyball and pitching horseshoes.

NEWS FROM ...

# Old Glory

By JUDY WHITE

Mrs. J. F. Newman left last week for San Antonio to join her daughter-in-law, Mrs. Jerrol Mack Newman and son, who were already there visiting with the Billy Lackeys. From there they went to California and then on to Hawaii to join Jerrol Mack Newman who will be there on leave from the armed services for a few days.

The Community Action Program, Inc. of Taylor County honored Mrs. Jack Rodriguez by naming her the first recipient of the Employee of the Month award last Thursday night. Mrs. Rodriguez is a 1955 graduate of Old Glory School. She is the former Dolores (Lulu) Vargas, daughter of Mr. and Mrs. C. H. Vargas of this community.

Mr. and Mrs. Roger Hinz and family and Durwood Hinz of Burton were here last week visiting in the home of their cousins, Mr. and Mrs. Adelbert Suter, Mr. and Mrs. Willie Suter, Mr. and Mrs. Louis Spitzer, and Mr. and Mrs. Martin Letz.

Dinner guests in the Lynn Flowers home last Friday were her brother, W. O. Macon of Rule, her two sisters from Stamford, Mrs. Hazel Overton and Mrs. Emma Hargrove, also Mrs. Overton's grandson, Ronald Cook of Odessa.

The David Letz family returned home last Saturday from a vacation trip to Colorado.

Mr. and Mrs. Eugene Gerloff of Lubbock were here last Saturday visiting his mother, Mrs. Katie Gerloff. Mr. and Mrs. Morris Garner and Mrs. Willie Fletcher spent last weekend in Abilene with the Garner's son and family, the Loy Zane Garners.

Mr. and Mrs. Travis Beil and Mr. and Mrs. Billy Beil and children, who have been here from Sparks, Nev., visiting the Travis Beils, enjoyed a picnic supper at the R. O. Gibson home last Thursday night.

Mr. and Mrs. Howard Tribbey, Mr. and Mrs. Roy Tribbey, Robert and Francis, and Mrs. C. B. Tribbey attended the Tribbey family reunion at Ft. Washita in Bryan County, Okla., Sunday, July 2.

Mr. and Mrs. J. E. Flow and Mr. and Mrs. G. F. Spitzer visited in Mineral Wells last Sunday.

Mrs. Tillie Dippel, Mrs. Bernice White and Judy visited Mrs. Hertha Mischer in Abilene last Friday. Judy spent the weekend in Abilene in the home of Mr. and Mrs. Stanley Key.

Mr. and Mrs. Dalton Gill have been in Big Spring for several days to be at the bedside of his father who is seriously ill.

## Junior Teenage Team to Host Haskell Monday

The Hamlin Junior Teenage Baseball team closed out the regular season with five wins in a row.

The team managed by Buford Bigham and Ellis West, includes Jackie Warner, Gilbert Lujan, Bill Cork, Alton Trotter, Jim Johnson, Ricky Rodgers, Johnny Cork, David Thompson, Ray Scifres, Terry Lawlis, Coney Lujan and Tom Max Hogan.

The team will play the Haskell Warriors here Monday evening. Bigham said "Haskell has a fine team and are league champions of the Northern Cotton Belt League." Hamlin placed second in the Southern half.

The team and managers express their special thanks to all who have given support to the league this year, the merchants, the fans, umpires and those who operated the concession stand.

## Completes Basic

SAN ANTONIO — Airman Van F. Covington, son of Mr. and Mrs. James F. Covington of Hamlin, has completed basic training at Lackland AFB. He has been assigned to Chanute AFB, Ill., for training in the aircraft equipment maintenance field. Airman Covington is a graduate of Hamlin High School.

NEWS FROM ...

# Sylvester

By MRS R M BARR

I thought maybe if I didn't mention the weather last week it would go away, but it did not. It is still HOT and I mean it has been this way since the 16th of June.

Mr. Faye Dozier took his grandsons and went to Lake Brownwood and enjoyed some water skiing last week for a couple of days.

The Hardwick family shopped in Sweetwater one day last week.

Our sympathy to Mrs. Lois Smith in the loss of her brother, Alton Arnold of Brownwood, last week.

Mrs. M. D. Douglass is out of the hospital but is staying in Hamlin in the home of Mrs. Elsa Moffett for a few days.

Mrs. Nell Self drove to Lovington, N. M. last week to care for her granddaughters while Dorothy had surgery.

Master Eric Prather of Sweetwater spent the week

end in the home of the W. B. Browns.

Doris and Susie Rocquemore are spending some time with Mrs. Carra Perkins while Morris is fishing with Forrest Perkins, the Rocquemores are from Irving.

The Jackie Douglass family of Sweetwater spent the weekend in the A. P. Douglass.

Mrs. Holden of Hamlin is spending some time in the home of her daughter, Mrs. J. P. Maberry. Mrs. Holden recently had eye surgery.

Mrs. Buster Lambert has just returned from Galveston having a check up on her heart. She is to return in October for another examination.

Jeffie Mae Williams and Jackie are visiting in Dallas for a few weeks with her daughter, Ralstine.

Mr. and Mrs. Bobby Kiser and children of Hamlin spent

Sunday afternoon in the Cecil Kiser home.

Mrs. Henley and two daughters of Deer Park are visiting with her parents, Mr. and Mrs. L. T. Watson.

Guests in the Roy Kiser home over the weekend were Mr. and Mrs. Jerry Kiser and family of Midland.

Mr. and Mrs. Kenneth Dixon of Ft. Worth and Mr. and Mrs. John Faught of Abilene spent the weekend in the Will Kelly home.

Vacation Bible School begins July 21 at the Baptist Church.

## Attends Camp Fire Session At Miami Beach, Fla.

Iva Jaye (Tweety) Starr, daughter of Mr. and Mrs. I. J. Starr, returned Sunday from Miami Beach, Fla., where she spent five days as a guest with the Tyler Area Council of Camp Fire Girls.

The girls stayed at the Shelborne Hotel overlooking the Atlantic Ocean. Miss Universe contestants were also guests at the Shelborne and the Camp Fire girls talked with them. Iva Jaye said the girls were very friendly and she got several autographs.

Her parents went to Tyler for her Sunday.
